U15 -U19 Players - Fall 2026

(Parent signature required)

Thank You for participating in the United FC Furman Select Program Tryouts for the 2026 season! If you are selected, it is vital that you fully understand the commitments and expectations. The **Select Program** is a competitive soccer program focused on athletes who love the sport of soccer and are serious about player development. This level of soccer will ultimately prepare players to compete in the future at the highest levels of club, high school, college soccer, and beyond.

The United FC Furman Select U15-U19 is a 6-7 month program commitment. Players are financially obligated to the full program fee and team fee for 2026.

Player Expectations

- ② **Commitment** – Player commitment is an important part of competitive team sports. All players are expected to attend all team events, games, and tournaments during the seasonal year. For the development of the player, participation needs to be the top priority during the seasonal year. Please be aware that overlapping the club seasons with other sports makes the player more susceptible to injury. The club recognizes the need to balance other sports, school, extra-curricular activities, and family schedules.
- ② **Attendance** – The player is expected to attend all training sessions, tournaments, and league play. Please be on time.
- ② **Communication** – Communicate with your coach regarding school, attendance, injuries, or other things that will affect your ability to uphold your time commitments with your team. No player will be dropped from a team during a seasonal year unless it is for disciplinary reasons or failure to fulfill financial obligations.
- ② **Equipment/Gear** – It is the player’s responsibility to come prepared with their training jersey, cleats (no metal), shin guards, size 5 ball, water, and for goalies – goalkeeper gloves. Purchase an Select uniform kit at First Team Sports (in July – cost \$215+tax). Players must get a unique number from their coach.
- ② **Annual Evaluations** – Players are required to be evaluated each year as an important part of player development.
- ② **Playing Time** – **Playing time is at the Coach’s discretion.** Players need to understand that many factors go into the amount of playing time or where they play on the field. Concerns and questions should be directed to your coach.

Parent Expectations

- ② **Code of Conduct Webinar** – To ensure all families are aligned with club expectations, one parent/guardian is required to attend the seasonal Code of Conduct webinar. Completion is mandatory for player eligibility.
- ② **Communication** – Our Coaching Staff will make themselves available at appropriate times for discussions with parents or players. Players should be encouraged to speak up and communicate for themselves whenever possible. Coaches will instruct your child to ignore and deal with adverse conditions such as bad referees, name-calling, foul language, rough play, cheating, poor weather, negative behavior by parents, opponents, coaches, or other difficult circumstances.
- ② **Encourage** – Vocal support and positive encouragement are welcome after a good play. Please do not criticize when mistakes are made. The kids are well aware of their mistakes, and we teach our players that overcoming and learning from mistakes is an important part of the game and character-building process.
- ② **No Sideline Coaching** – There will be NO coaching by parents. Comments like “pass,” “shoot,” “run,” and “send it” are all interpreted as instructions.
- ② **Respect** – All United FC Furman members are expected to respect the referees at all times
